

HMCCC

Heart of Maryland Classic Chevy Club

2018 Alzheimer's Show!

And the winner is . . .!

Ron Anderson & his "People's Choice" winning '64 Ford Galaxie (above) and "Ladies' Choice" winning Gordon Geesey (left) & his '70 Plymouth Roadrunner (below) demonstrate that you don't have to bring a Chevy to an HMCCC show to win! All it really takes a to catch the attention and imagination of the crowd!

With a little help from our friends!

Murl McClung is asking Frank Baker if it's alright to be the Porta Potty Supply Guy at the Show every year . . . looks like he might have found his niche! Actually he has proved himself as one of HMCCC's invaluable supporters over many years. Thanks a bunch Murl!

Well, despite a week threatening rain all day the day of the show, it actually cleared out just in time and we had a beautiful day. Thanks to the great organization of our hardworking co-chairs, Ed Zimmerman and Richard Thompson, this year's show was another spectacular event. In twenty-six years, we have only had to use the rainedate twice - in 1995 and in 2002, and we were glad we didn't have to use it this year.

As is usually the case, cars were waiting to get into the show when we arrived to setup at 7am. Some of those waiting to get in even pitched in to help get us up and going! What great attendees we have at our show. As the morning went on, more and more cars, trucks and motorcycles rolled into for a total of 245 vehicles in the show.

The monies from the t-shirt sales, raffles, auction, registration, spectator's gate and donations are still being tallied, but we hope to have a total to share soon. We know the total raised was bolstered by those who made sizeable donations to the Alzheimer's caused. We are always in awe of everyone's generosity and are thankful for the support.

In particular, we'd like to give special thanks to JR and JoAnne Rosenberger of Aspen Hill Shell, whose generous donation enabled us to give away 20 \$25 Shell Gift Cards to show participants. These are always a show favorite. Thanks JR and JoAnne!

WDVM-TV was there, recorded the festivities and interviewed Ed (Google "Alzheimer's Car Show Frederick, MD") or go to the localdvm.com and search for "Alzheimer's".

The Alzheimers Association Greater Maryland Chapter folks were there and expressed their great appreciation for all the club has done in raising much needed funds for their local needs. They also shared information on the special Alzheimer's stamps. It is always wonderful to have the representatives from Alzheimer's at the show with their vibrant purple tent and shirts to help bring about awareness and share information on resources for those faced with the disease.

At the Chinese Raffle, we had some really special items. Many thanks to Linda, Carol, Alice, Marsha, Lynda and Janet who made up the baskets and donated items as well as Megan and Melissa Deedy who brought some very neat items! And to Sissy who donated some really nice bead bracelets to sell.

Boy Scout Troop 460 from Mount Airy came out again this year and really helped us out by running around the parking lot to aid in parking, emptying trash cans, manning the Spectator Gate and the Moon Bounce. They were also going around making sure folks stayed hydrated with bottles of water and selling sno-cones. It was a long day for them, but they really liked the cars and trucks and enjoyed selecting one to receive the Boy Scout Award!

The auction was a huge success. Several participants in the show actually showed up with some neat contributions to the auction. Some of the highlights of the auction were the Estate Planning donated by Scott A. Morrison, some yard art made by Jim Riggs, a Harley Davidson gift basket donated by Harley-Davidson of Frederick, lots of gift certificates, car care items,

banners (garage art!), collectibles, and lots more. It's always an adventure to see what shows up at the auction. Many thanks to members who unpacked and displayed all the "stuff" and Peggy Kaplan, Bob Clubb and Kingsley Edwards who served as our clerks. Special thanks to Roger Rothenhoefer (he's got a 1949 Chevy Fleetline) our exceptional auctioneer! We couldn't do it without you.

Many thanks to John Chance who arranged with the Law Mall to let us cover the No Parking signs again. I don't know where we would have parked all those spectators! And thanks to the Frederick County DPW for allowing us to use their parking lot. Many thanks to Butch and Sissy for organizing all the vendor stuff! Thanks to Carroll Anderson for the excellent work on the event program.

Thank you everyone that helped make the 26th Annual Alzheimer's Show such a huge success; those who came out to help set up, worked registration, collected from participants, parked cars, tallied votes, worked the auction, sold t-shirts, sold raffle tickets, sold 50/50 tickets, gave out door prizes, worked the sound system, cleaned up the trash afterwards, and more!

Thanks to our club members for all their hard work the day of the show, in advance preparations and in the follow-up. Special thanks to our Hardworking Non-Members Greg Etzler, Murl & Debbie, Bob Clubb & Kingsley Edwards and Sam Morrison and his friends from Stevenson University who helped at the Spectator Gate and wherever needed. You guys are great!

Thank you to MVA for letting us host our show at their location.

Thank you to Robert Clubb Associates for sponsoring the trophies and awards.

Thank you to all the sponsors for their generous donations that allow us to put on this show.

Thanks to the other clubs and organizations who came out to support us. It was great to see a lot of new faces and familiar faces!

Thanks to Eric Stonesifer and his business, Triple Creek Landscaping & Tree Service who provided a lift for the sound system. By lifting the speakers high, they were much more audible.

Thanks to Mike Dixon and his business Critical Power for the use of a generator for the extra power we needed to put on the show!

Out of all the fantastic vehicles on our show field, here's a list of winners!

Congratulations to The Top 30!

Lee Weber with a '65 Pontiac Catalina
Mike Broy with a '50 Mercury
Jonathon Fitz-Enz with a '78 VW Westphalia

Winners in the special category awards were . . . :

The Mike Miner Memorial Choice Award was won by Jim Hutchinson with his 1932 Ford Roadster.

The Boy Scout Troop 460 Special Award went to Richard Hahn with his '66 T-Bar Dragster.

The Alzheimer's Association Choice Award was won by Marvin Glass with his '57 Chevy Corvette.

The Zimmerman Family Memorial Award was won by Andy Sewel with his '51 Ford.

The Ladies Choice Award was won by Gordon Geesey with his '70 Road Runner.

The People's Choice Award was awarded to two show participants! Both Lee Weber with his '65 Pontiac Catalina and Ron Anderson with his '64 Ford Galaxie 500 each received awards.

Club Participation was won by Golden Gears Car Club of Frederick with their usual great turn out of cars and people in support of our show.

This year, we did two 50/50's.

The am 50/50 for \$260 was won Rodney Mullinix, of which he donated \$100 back to the cause.

The pm 50/50 for \$141 was won by Mike Grenier, which he donated back to Alzheimer's.

Congratulations to the winners of The Alzheimer's Special Raffle Items:

The fun in the sun Yeti package was won by Dave Wastler

The power pack was won by Dale Porter

The collapsible cart was won by Joyce F of Thurmont, MD

The 700R4 Transmission donated by Fourcade Transmission was won by Marsha Zimmerman.

Again, many thanks to all who came out and all who helped out. We couldn't put the show on without you!

Carol Davidson & Marsha Zimmerman

The Mike Miner Memorial Choice Award, sponsored by Chewey's Automotive Performance, was won by Jim Hutchinson with his 1932 Ford Roadster.

HMCCC President Larry Davidson accepting Golden Gears' generous donation to Alzheimer's Assoc. and congratulating them on their "Club Participation" Award. Thank you Golden Gears!

It wouldn't be too much of a stretch to think you'd seen it all, watching these two cars enter the show field—pretty much covers the spectrum, huh? A mid-30's Phaeton looking newer than it did coming off the showroom floor and '57 Borgward (something you sure don't see everyday!) that's been pro-streeted and trick painted out of it's mind. Two fine examples of what the Alzheimer's Show has to offer year after year!

Jonathon Fitz-Enz & his daughter won a Top 30 with a '78 Volkswagen Westphalia.

Richard Hahn & his Hemi-powered Fuel Dragster was the Boy Scouts' Award choice.

The Alzheimer's Association Award choice was Marvin Glass' '57 Chevrolet Corvette!

Zimmerman Family winner, Andy Sewel & his '51 Ford.

2018
